Test results for Students with Disabilities

The CPS Quality Rating system (SQRP) does not specifically consider or report the test scores of students with disabilities in option schools, so no data is available. CPS should consider this information when evaluating option schools and should provide this information to parents and students who are looking for a school.

Enrollment Trends

Percent of students who unenroll from the school for *any reason*.¹

	SY 2013-14	
	All Students	SWD
YCCS-Houston Alternative	32.6%	66.7%
YCCS Average	65.8%	74.0%
Other OS	110.0%	135.2%

Note that the change in IEP enrollment during SY14 is redacted because the school began the year with 18 students with an IEP but ended the year with 10 or fewer.

Discipline

Use the CPS Code of Conduct?	No
Use a “sweat the small stuff” discipline code (e.g. demerits)?	No
Use restorative practices ² ?	Yes
Zero-tolerance for gangs or fighting ³ ?	No

¹ Due to significant changes in option schools and data reporting for YCCS schools from the 2012-13 school year to the 2013-14 school year, this analysis only uses 2013-14 data.

² Restorative practices include peer mediation, peace circles, and peer juries.

³ Does the campus code of conduct require at least one day of out-of-school suspension for fighting (general with peers) or any gang related offense.
