Admission procedure

Lottery Procedures for 2015-2016

1. All students who have submitted an application between February 1 and March 12 of 2015 are included in the lottery for admission to Quest Charter Academy for 2015-2016 school year. Illinois Charter School Law states that if there are more eligible applicants for enrollment in a charter school than the spaces there are available, applicants shall be selected by a lottery. All applications must be received by March 12, 2015.
2. The lottery will be held on Wednesday, March 18, 2015 at 5:30 at Quest Middle School located on 2612 N Bootz Ave. Peoria, IL 61604
3. The applicant pool is divided into 7 groups: 5th grade, 6th grade, 7th grade, 8th grade, 9th grade, 10th grade, and 11th grade.
4. Students who apply to wrong grade level will be placed at the end of the waiting list of the correct grade level. If a student fails in 14-15 and is not promoted to the grade level s/he applied to, s/he will be placed at the end of the waiting list of the correct grade level.
5. Cumulative number of credits required to be placed in the high school grades are as follows:
9th grade: 0—5.99 credits

10th grade: minimum of 6 credits

11th grade: minimum of 13 credits

If a student cannot accumulate the required number of credits for the grade level s/he applied to, s/he will be placed at the end of the waiting list of the correct grade level.

6. Illinois Charter School Law states priority shall be given to the siblings. This means:
 - A sibling or siblings of current Quest Charter Academy students gain automatic admission to Quest.
 - During the lottery process, if the name of a non-current student is drawn for an opening and that student has a sibling or siblings in the lottery, those siblings automatically gain admission to the school if there is an existing opening in their grade level.
 - Once openings in a grade level are filled, remaining students will be placed on a prioritized waiting list. This waiting list will not roll over to the following school year; it is good only for the 2015-2016 school year.

7. During the week of March 23rd, applicants will receive notification by mail from Quest staff informing them whether they were selected for enrollment or put on the waiting list.
