## 2015 LOTTERY NEWS AND APPLICATION

Ball Charter is a "school of choice" in District 186. The only criterion for admission is that you reside in the Springfield School District 186 boundary area. We will be accepting new student applications for our Kindergarten through 8th grade classes beginning on Monday, January 5, 2015.

All applications will be accepted until January 30, 2015. A lottery will be held in early February to make up waiting lists for all grades. Families will be notified in March if positions are available. These waiting lists will be kept for the entire 2015-2016 school year and will be referred to as openings become available. Waiting lists are formed every year, so it is necessary to fill out an application every year.

Applications will still be accepted after the January 30th deadline and will be placed on the waiting list after the applications that were submitted by the Lottery deadline.

If you have further questions, please call the school office at 217.525.3275.
