## Enrollment

### Enrollment Requirements

Chicago residents ages 16-21 who have at least 5 credit hours completed from high school are eligible to attend CYDI. CYDI is a public school and there is no tuition.

### GRADUATION REQUIREMENTS

All students must complete the CYDI program to be granted a diploma. The minimum number of credits to graduate from CYDI under the Youth Connection Charter School (YCCS) umbrella is 21 credits. Students must successfully complete a minimum of one full academic year and earn three (3) or more credits from Community Youth Development Institute. A student is expected to successfully complete every course for which he/she registers and a student must pass all his/her classes the last semester in order to be a candidate for graduation.

In order to encourage high standards of student conduct and behavior, the school administration may deny a student the privilege of participating in graduation ceremonies and/or activities in accordance with school rules. Prior to denial of the privilege, the student, and where practicable his/her parent/guardian, shall be made aware of the grounds for such denial and shall be given an opportunity to respond. If a privilege is to be denied, the student and parent/guardian shall receive written notice of the denied privilege and the means whereby he/she may appeal the decision.

In order to participate in the commencement ceremony, a student must have fulfilled all academic requirements for graduation prior to the commencement ceremony. No exceptions are made. In addition, students must have met all outstanding delinquent obligations.
