### IHSCA FAQ's

**Q.** Do I have to live in Chicago to be able to attend IHSCA?

**A.** Yes. You must live in Chicago, but you may live in any area within the City limits in order to apply to IHSCA.

**Q.** If I am placed on the waiting list, what are my chances of getting in?

**A.** Each year the possibility of getting accepted to IHSCA if you are on the waiting list will fluctuate. This will depend largely on the number of applicants and changes in the existing student body enrollment.

**Q.** If my English speaking or writing skills are not strong, will that affect my enrollment?

**A.** No, at IHSCA we will offer instruction in English and Spanish and strive to work with all students to achieve maximum proficiency in both languages

**Q.** What if I miss the enrollment application deadline?

**A.** Though we would like to accommodate all students that apply or are interested in attending IHSCA, it is important that the process stays fair to those who are meeting the deadlines. We will only accept applications that are turned in by the enrollment application deadline of December 31.

### Admissions List

At IHSCA, families are considered an integral and essential component of our student's education. Families are invited to attend open house sessions and community presentations at convenient locations throughout the Chicago community. You can learn in person what IHSCA can offer you and your child as well as meet the individuals who will guide your student's academic career.

IHSCA is also well represented at area school expos hosted by Chicago Public Schools.

The last date IHSCA will accept applications is the last day of the year, December 31, prior to the following academic year. IHSCA student enrollees are selected by a lottery process. In compliance with the Citywide Lottery Requirements and Enrollment Guidelines, the lottery will take place during the month of February. The date, time and place of the lottery will be posted publicly. Families and community members are invited to attend.

Following the lottery, all students will receive a letter confirming their acceptance or placement on the waiting list.
