Enroll for the 2015-2016 school year [HERE](#).

If you are interested in enrolling your child in LEARN Waukegan, please click [HERE](#)

As a public school, LEARN utilizes a lottery system to fill open slots at each of our campuses. No preference is given based on race, gender or religious affiliation. To apply for a seat at a LEARN school, parents/guardians and students must reside in Chicago, North Chicago, or Waukegan.

The LEARN Charter School Chicago Lottery will be held in on March 25, 2015. The LEARN 6 in North Chicago lottery will be held on May 13, 2015. Attendance at the lottery is not a requirement for acceptance. Notification of lottery results will be sent to all applicants via mail the week after the lottery has taken place. If offered a seat, you will have 3 days to accept or decline your offer. After acceptance, you will have two weeks to complete the online registration. If you need any assistance in completing this online packet, please contact 773.733.7320. On-site registration days for New Student Orientation are listed here: <http://www.learncharter.org/enrollment/learn-registration-day>

If you have further questions please refer to our [Enrollment FAQs](#) to the left of this page or contact: Enrollment Coordinator at 773.733.7320

Frequently Asked Questions

How do I submit a completed enrollment form?

Please click [here](#) to sign up to complete an enrollment form online.

When is the due date for 2015-2016 school year enrollment forms?

To be eligible for the LEARN Chicago Lottery, please submit an enrollment form by March 23, 2015. For LEARN North Chicago, please submit your enrollment form by May 11, 2015. There is currently no deadline to enroll in LEARN Waukegan. All dates will be communicated to applicants when they are finalized.

When is the 2014-2015 Lottery Event?

The 2015-2016 Chicago lottery will be held on March 25, 2015. The North Chicago will be held on May 13, 2015. There is currently no Lottery date set for LEARN Waukegan. All dates will be communicated to applicants when they are finalized.

Is there one combined lottery for all LEARN schools?

There will be one Enrollment Lottery for LEARN Chicago campuses, which is comprised of separate drawings for each of our campuses. Only LEARN North Chicago will have a separate lottery held on May 13, 2015.

Can I put my child in the lottery process for more than one campus? Do I need to submit more than one form to do so?

Applicants can enter the lottery process for more than one campus and only need to submit one completed enrollment form. The back of the enrollment form includes a section for parents/guardians to select up a minimum of one, and up to seven LEARN schools. Students will be placed in lottery processes for each school selected.

How will the results of the lottery event be communicated?

Notification of lottery results will be sent to all applicants via mail one week after the lottery has taken place.

How much is the non-refundable school fee?

All LEARN schools are tuition-free. The non-refundable school fee, not to be confused with tuition, is a nominal fee used to fund books, supplies and other extracurricular activities. The fee amount varies across all LEARN campuses given the size of that school / facility. Information regarding the fee amount for your child's campus will be included in lottery notification results sent out.

What happens if my child is selected in the lottery process for more than one campus?

If your child's name is drawn for more than one campus, you will be given the opportunity to choose among those specific campuses.

Are siblings of current students automatically accepted?

If there are a greater number of siblings applying than there are available slots at a given campus, siblings will be placed in a Sibling Lottery for that campus that will be drawn before those students in the general pool.

Policy: Sibling preference is given to an applicant whose sibling is currently enrolled at the LEARN school the applicant has applied to attend. An applicant will not receive sibling preference if the enrolled sibling has graduated or transferred to another school.

Siblings are defined as students who share one or more parents/legal guardians.

Acceptable Forms of Verification:

1. Court papers (if legal guardian) verifying guardianship of both children
 - i. If a guardian cannot produce court papers verifying guardianship, they must provide medical or dental records proving both children live in the same household.
2. Birth certificates verifying both children share one or more parents/legal guardians

What age does my child have to be to enter Kindergarten at LEARN? Those applying for Kindergarten must be 5 years old by September 1, 2015.

What happens if my child is placed on the waiting list?

Once available seats at each school have been filled, applicants will be placed on a waitlist for each school that they applied to, in the order that they were drawn in the lottery process. Any slots that become available will be offered to those on waiting lists, in order. Applicants will have 3 business days to respond to their offered seat. You will receive a call to the phone number and email listed on your application.

If my child is not selected in the lottery this year, will s/he be automatically entered into the process for the following year?

No. The 2015-2016 Enrollment forms and Lottery results are valid for 2015-2016 only. If you are not accepted in the lottery process this year and wish to try again for the following school year, we encourage you to check our website and submit a new form when the following school year's enrollment form is posted/released.

Can enrollment forms be submitted after the lottery?

All forms submitted after the lottery will be added to the bottom of our waiting lists in the order they are received.

Pre-K FAQs

I have question about the Pre-K program. Who can I contact?

All questions regarding the Pre-K program should be directed to Ms. [Shameka Williams](#) or prek@learncharter.org.

What age does my child have to be to enter Pre-K at LEARN? *Those applying for Pre-K must be 4 years old by September 1, 2015.*

When does Pre-K start and end?

The Pre-K program begins in September and ends in late June. Specific dates will be outlined on the enrollment application.

Does my child need to be potty trained?

Yes, all children entering Pre-K must be potty trained.
