Important Announcement

We're now accepting applications for fall semester. Follow the steps below to begin the enrollment process today.

If you need assistance in another language, please call 855.710.0910.

Admission Requirements

Students interested in attending YCCS Virtual High School must:

- Be 17-21 years of age,
- Have at least 10 credit hours from high school,
- Be a Chicago resident, and
- Have a copy of their birth certificate, social security card, or state ID.

Compliance Documentation

If students meet the above eligibility requirements, the following forms are required to complete enrollment:

- **All High School Transcripts:** If you have attended multiple schools, please be sure to provide a transcript for each school as proof of credit.
- **Immunization Records:** Students are required to provide current immunization records. Please ensure the records are complete and up-to-date.
- **Proof of Residency:** Students are required to provide a household bill, such as utility or cable, to establish Chicago residency.

If applicable, you may also need to provide:

- **PSAE/ACT Scores:** Provide scores for all tests taken to ensure they don't participate in the standardized testing twice.
- **Student Withdrawal and Release Form:** If you are not currently enrolled in a high school program, this document must be completed by your most recent high school in order for Chicago Public Schools to allow you to enroll in our program.

Once you have collected all of the documents listed above, please schedule an appointment by calling **312.429.0027**, or stop by the school office, to continue the enrollment process.

Lottery Procedure

Given the limited space within our program, all students are required to complete the on-line lottery form. This application can be done from the comfort of your home at applytoyccs.com, or if you may need assistance please call the main office at 312.429.0027

During the course of the school year YCCS Virtual High School maintains a "Waiting/Lottery List" of eligible applicants. If at any time there are more eligible applicants than available space, final enrollment will be determined through a lottery.

YCCS Virtual High School conducts one lottery per year prior to the beginning of the new school year. The YCCS Virtual High School office draws from that lottery to enroll students for the new school year, and then conducts lotteries as needed to fill available seats when students withdraw or graduate. Applicants remain in the lottery pool until he/she:

- is removed due to enrollment acceptance, or
- has moved with no forwarding address and/or working phone number, or
- is no longer interested in attending YCCS Virtual High School, or
- is no longer eligible for enrollment

All lotteries are witnessed by a third party.
